

## L.I.G.H.T. RECEIVES ANGEL AWARD.™!

The radio and teaching ministry, L.I.G.H.T. (Living In God's Hands Today), was honored at the 13th Annual Angel Awards,™ in Los Angeles (the City of Angels). Angel Awards are given... ***"to honor those creative people in motion pictures, television, radio, books, albums, and other forms of media... who are turning out works of excellence that have either high moral or spiritual or social impact... who are struggling to make this a better world."***

Pictured with the Angel Award and myself is Mary Dorr, Founder of the Angel Awards.

***"Gifted by God, Honored by Man"*** was the theme of this years Angel Awards Banquet. It was an exciting evening and my pleasure to receive the award on behalf of everyone's prayers and support for L.I.G.H.T.

Praise God who created L.I.G.H.T.!
